"I know this may seem dorky or lame but I'm tired of the quarantine because of the coronavirus. It's depressing and the news is depressing. This world seems so dark. My brother put up a hummingbird feeder in the backyard. Can you pray that God sends us lots of hummingbirds and butterflies to look at in the garden? I just want to see nature and God's creations. I think it will be a blessing for the whole family as we quarantine. Thank you for praying and God bless you! KJ

PRAISE REPORTS

1 Therefore be imitators of God as dear children. 2 And walk in love, as Christ also has loved us and given Himself for us, an offering and a sacrifice to God for a sweet-smelling aroma.
