## Thank you Tampa First from Bags of Love

Thank you so much for your continued support to Bags of Love. These pictures reflect the lives we have touched as a result of your generosity.

In the past 12 months, we have distributed 85 bags including 20 bags specifically given in the midst of the pandemic. All were provided to foster children in need.

We are in the process of making new connections to other organizations where we can continue to show "love".

We ask that you continue to support through your donations and prayers as we show God to others because "God is love". 1 John 4:8

Thank you again and Happy Holidays!
