This year's Christmas offering will be split between church maintenance and Feeding Tampa Bay. Did you know that the oldest AC unit in the church was installed in 1996 and the youngest unit was installed in 2009? The AC units are just one of many projects that this year's Christmas offering will go towards to keep our church working properly. The community service partners with Feeding Tampa Bay each month to provide perishable and nonperishable food to our community. On average community services feeds over 120 households plus homeless and home-bound individuals each month.

Pastors are available for baptismal studies. Contact the Church Office.

Fred and Lucretia Edmister would like to thank everyone for their prayers and support.
